					Thursday			Friday			Saturday			Sunday			Monday		
Start Date	End Date	Year	Champion	Country	To par	Margin(Holes Played)	Comments												
5-Apr	8-Apr	2018	Patrick Reed	United States	-15	1	The 14th morning low T. on Thursday morning was just a few degrees shy from the coldest start to The Masters where in 1996 it was 31°. By Sunday Eagles & Birdies soared in cool calm conditions and at one point 2 players had matched the course record of -9 for the day to only fall shy of it and the 2018 Masters Victory in the end.												
6-Apr	9-Apr	2017	Sergio Garcia	Spain	-9	Playoff(1)	The 2017 Masters teed off with the first Par 3 contest cancellation due to severe weather without anyone finishing the 9 hole course. Thursday & Friday rounds were blustery(wind gust over 30mph) and cool with things calming for the weekend rounds. The low of 35° on Saturday was the 4th coldest value for a Sat. round...												
7-Apr	10-Apr	2016	Danny Willett	England	-5	3	The Weather narrative for this year is by far the wind that blew Thursday-Saturday. Reports of near a half inch of rain softened conditions for Round 1 but gusty winds from 30-40mph made scoring tough till Sunday												
8-Apr	11-Apr	2015	Jordan Spieth	United States	-18	4	Almost perfect scoring conditions this year. The max. temp. on Thursday set a new opening round record when the high reached 91° and the moist air kept the course & greens soft and scoreable. On Friday some rumbles of thunder were heard in the evening as a cell passed just west of the course...												
9-Apr	12-Apr	2014	Bubba Watson	United States	-8	3	This years competition played in near perfect conditions with no rain(T. late on Sunday evening) and for the most part very little wind. The mean Max. T for the event was 80.5° and ranked as the 12th warmest for Max. T in the 78 year History.												
10-Apr	13-Apr	2013	Adam Scott	Australia	-9	Playoff(2)	Tournament played under pretty average weather conditions. Friday's rain/thunderstorm threat did not materialize but Sunday's final round was played in a persistent rain event with over 1/4 inch of rain during those final hours of play.												
11-Apr	14-Apr	2012	Bubba Watson	United States	-10	Playoff(2)	My first year in attendance at the Masters and I was able to watch the Tuesday practice round. The very warm March led to early bloom of the azaleas and although the grounds and greens were perfect there was a lack of flora in 2012.												
5-Apr	8-Apr	2011	Charles Schwartzel	South Africa	-14	2	After overcoming a cold start on Thursday the max. temperature for all four day's was above 80° for only the 3rd time in history(1978, 2004) and the avg. of the max. temperature was only .5° off the all time record of 86.8° set in 1978. An area of fog developed early Sunday morning but burned off just before final round play began.												
8-Apr	11-Apr	2010	Phil Mickelson	United States	-16	3	Day 1 Conditions were the most challenging for the players with winds gusting to 30mph from the South and threatening dark clouds overhead. Storms held off till the overnight and near 1/2 inch of rain cleansed the course.												
9-Apr	12-Apr	2009	Angel Cabrera	Argentina	-12	Playoff(1)	The Rain that fell on Day 2 was in the overnight between round 2 and 3 and did not cause a delay												
10-Apr	13-Apr	2008	Trevor Immelman	South Africa	-8	3	The first round was delayed one hour from 8:00 a.m. to 9:00 a.m. due to fog. The third round was suspended at 1:00 p.m. due to dangerous weather approaching the area. Play resumed at 1:45 p.m. Windy Sunday with gusts to 30 mph.												
5-Apr	8-Apr	2007	Zach Johnson	United States	1	2	Sunny, but unseasonably cold with strong winds. On Saturday temperatures were in the mid-40s to low 50s with wind gusts up to 33 mph.												
6-Apr	9-Apr	2006	Phil Mickelson	United States	-7	2	The third round was suspended from 1:02 p.m. until 5:20 p.m. due to thunderstorms. It was then suspended due to darkness at 7:40 p.m. with 36 players left on the course. Play resumed at 7:45 a.m. Sunday morning. The fourth round began at 11:10 a.m.												
7-Apr	10-Apr	2005	Tiger Woods	United States	-12	Playoff (2)	The start of the first round was delayed until 1:30 p.m. due to weather, with a two-tee start. 10-Apr	13-Apr	2002	Tiger Woods	United States	-12	3	Second round play was suspended at 5 p.m. due to weather with 38 players left on the course. The second round restarted at 9 a.m. Saturday and the third round began at 12:30 p.m. from No. 1 and No. 10 tees.												
5-Apr	8-Apr	2001	Tiger Woods	United States	-16	2	Third round play suspended due to inclement weather at 12:30 p.m. then resumed at 2:30 p.m. Third round play suspended due to darkness with eight players on the course.
